Dear Colleague

IMPORTANT INFORMATION

Please look out for the following document:

[The Nomination Form to stand for election to the Hampshire and Isle of Wight LDC - nomination deadline the 20th March 2019](#)

Please ensure that the Nomination Form is circulated within your practice/organization to ensure that **all** dental performers working within a NHS Dental Contract/Agreement have the opportunity to attend the AGM and/or stand for election.

The LDC is very keen to build on its performer contact database because it has been found that many LDC communications tend to reside at contract provider level.

The LDC Administrator seeks replies to this invitation by email to thereby update our contact information and to ensure that all dental performers receive timely advice, notices and contact from the Local Dental Committee.

The Nomination Form can also be found on the LDC website www.hiowldc.org

We would like to thank you all for your cooperation and support

Emily Percival
LDC Administrator
