

HEE - FREE Supporting recovery webinars

30 minute Lunch and Learn sessions

A series of free webinars to support members of the dental team during Covid-19 with quick updates for the whole team. All lectures take place on Thursdays but please note that due to speaker availability some lectures start at 13.00 whilst others start at 13.15.

Please make sure to check the individual course details on MaxCourse. As sessions are short it will be important to log in on time and it may be difficult to take questions.
