

Appraisals for General Dental Practitioners

- A chance to focus on your career progression and build a tailored Personal Development Plan.
- Reflect on your health and wellbeing after the difficulties caused by the pandemic.
- To talk through achievements and challenges with an experienced dental professional.
- A chance to network and build a community of support.
- Receive 3 hours of certificated verifiable CPD for your appraisal meeting.
- It is entirely free to take part.

Appraisal is a requirement of both the National Performers List Regulations and the General Dental Services Contract and has been adopted by the NHS Area Teams in Thames Valley and Wessex, so participation will allow you to meet your contractual obligations. The Hampshire & IOW LDC were instrumental in the setting up of peer appraisal and endorse the scheme.
